We're Hiring | Technical Trainee – Splunk / ODS Trainee | Chennai|

Our client is a Singapore-based boutique consulting firm working with blue-chip multinational clients and delivering high-value, results-focused support across Business Transformation, Program Management, Information Technology, Analytics, Marketing, and Sales.

The client is looking for highly motivated and tech-driven individuals to join their fast-growing consulting practice. This opportunity offers exposure to cutting-edge projects across Cloud, Cybersecurity, Big Data, AI/ML, and enterprise IT platforms, while working closely with experienced global professionals.

Role Overview:
As a Technical Trainee – Splunk / ODS Trainee, you will work closely with domain consultants and technology specialists, supporting mission-critical insights, solutioning approaches, and research activities. Selected candidates will be groomed into future Consultants and Engineers across IT Operations, Observability, Data Services, and Security domains.

Key Areas of Exposure:
Enterprise-grade log management and SIEM platforms, observability and IT monitoring, enterprise security administration, operational data services, and platforms such as Splunk, Sentinel, QRadar, New Relic, CrowdStrike, Datadog, and similar technologies.

Eligibility & Skills:
Candidates with B.Tech, M.Tech, BSc, MCA, or MS IT (passed out in 2021 or later) are eligible. Strong fundamentals in UNIX/Linux environments, IT networking concepts, and systems are required. Familiarity with cloud platforms (AWS, GCP), virtualization, monitoring tools, automation software, and

cybersecurity concepts is an added advantage. Good communication skills and the ability to manage multiple tasks effectively are essential.

Employment Details:
Full-time role based in Chennai
40 hours per week
Training duration of 6 to 9 months
Stipend of INR 15,000 per month
Opportunity for permanent employment upon successful completion of the trainee program and selection process

Apply by sharing your resume at: preethi@epiqindia.com
